The Monthly Bark

The Halfway mark!

As we approach winter break, we can't believe the year is already almost halfway over. We hope you had a great 2019.

PTO thanks those of you that supported our Book Fair last month and officially became members of PTO this year. All of these little things we do add up to make a big difference for our students, teachers, staff and facilities year-round.

We look forward to see what 2020 has in store for those at Brennen Elementary!
